Founder

This project is part of a larger development known as VISALTO, which comprises three independent but adjoining buildings, with a total surface area of around 35,000m²: - a 24,500m² office building, including parking (architect: 2/3/4), - a 4,000m² student residence (architect: Jacques Moussafir), - a 5,500m² Hipark apartment hotel (architect: Manuelle Gautrand Architecture). This development is in the 19th arrondissement on the northern edge of Paris, within an urban environment characterised...
